

The German School Tokyo-Yokohama has been a renowned educational institution for over a hundred years, offering a unique German educational program in the region. We are a dynamic, quality-conscious, and future-oriented German international school with around 500 children and adolescents, as well as 90 employees. From kindergarten to secondary level, we typically teach in two classes per year group, all under one roof.

In 2021, we entered into a partnership with the German Bundesliga club Borussia Dortmund. Since then, we have had our own football academy at the school, with around 150 children enrolled. We offer an exciting work environment with the opportunity for intercultural encounters in football. To strengthen our coaching team, we are looking for a new coach (m/f/d) starting in the summer of 2024.
